Victorian Labor values achieving social justice, fairness and equality

The Party is a collective cause and larger than any individual.

We are proud of our deep roots and history in the labour movement.

We support workers organising in union to achieve justice for all.

Our members, volunteers and supporters are our greatest assets.

Prejudice and discrimination - including sexism, racism and homophobia - have no place in our party.

We celebrate the diversity of our Party.

We support one another because we are stronger together.

This is Labor.
